Your acceptance is confirmed with this reply and we thank you so much! Please arrive at Hilmer Lodge Stadium (Mt. SAC) by 8 AM on the day indicated for your credentials. Just give your name to the security guard at the Bonita Avenue signal gate (South-west of Stadium off of Temple Ave.) for special volunteer's parking. You should proceed from your parking, north to the Field House (50G) area and "check-in" at the Volunteer's Registration Desk for your credentials, assignments, last-minute details, and a light breakfast. Thanks again, so much. We just couldn't do it without our "special volunteers".
